Product description:

REFRIGERATOR VITRIFRIGO C62I

Refrigerator VITRIFRIGO C62I has a total capacity of 62 liters and comes complete with a freezer compartment and Airlock locking system as standard equipment.

The refrigerator VITRIFRIGO C62I meets all space and capacity needs.

Designed to elevate the refrigerator into an elegant piece of furniture, it embodies a refined and understated style.

Refrigerator VITRIFRIGO C62I offers spacious storage volumes of up to 62 liters and remarkable accessibility at every point.

The internal space can be fully utilized thanks to the presence of easily removable baskets.

Equipped with a square closing door, Refrigerator VITRIFRIGO C62I can be positioned in both door outside and door inside

versions using a single fixing profile. This profile also features a concealed slot that optimizes perimeter ventilation.

At the upper top of Refrigerator VITRIFRIGO C62I, an element has been inserted to enable the "Vent Position,"

allowing the door to be left ajar during periods of non-use, thus preventing the formation of mold and unpleasant odors.

Technical Characteriscs VITRIFRIGO C62I Refrigerator:

Total capacity litres: 62

Freezer capacity litres: 4.5

Net weight: 18 Kg

Power supply: 12/24Vdc (also available with bivalent 12/24Vdc - 100-240Vac 50/60Hz)

Nominal consumption: 40W

Total width: 450 mm

Total height: 530 mm

Total depth: 517 mm

Panel colour: black /grey

Also available in "fridge only" version (without freezer compartment): no

Reversible door: yes

Airlock closing system ensures airtight closing of the door, preventing the dispersion of cold and the formation of mold and unpleasant odors.

The VITRIFRIGO C62I refrigerator is a true design gem that blends perfectly into any environment.

Drawers are equipped with high-slide runners for easy opening and closing.

The Airlock closing system of the VITRIFRIGO C62I refrigerator ensures even cooling and optimal food preservation, even when the door is opened frequently.
