Product description:

RENTAL LED LIGHT 60000 LUMEN - SCANGRIP SITE 60

LED LIGHT RENTAL: Experience brilliant illumination with the SCANGRIP SITE 60, offering an impressive 60,000 lumens. This compact, state-of-the-art LED light is perfect for lighting up large areas at construction sites, providing super bright illumination with a wide 120° beam angle.

Available for rental, the SCANGRIP SITE 60 combines high performance with outstanding flexibility at an attractive price. Utilizing the latest LED technology, it ensures bright lighting for vast work areas.

This work LED light, part of our LED RENTAL service, features a dimmer and BLUETOOTH illumination control. Manage light intensity remotely via a mobile device, optimizing energy use and convenience, especially when mounted on high masts.

Designed for easy use, the SCANGRIP SITE 60 has a built-in handle, making it simple to carry and mount on tripods and masts. It's compact and lightweight (6.7 kg), offering ease of installation. A dual bracket is available for broader illumination with two LEDs.

Our LED LIGHT RENTAL service includes the durable SCANGRIP SITE 60, which is fully dust and waterproof (IP65) and functions in extreme weather from -25° to +40°C. It features high-quality components, active cooling, and maintains high performance throughout its lifespan.

The SCANGRIP SITE 60, a Danish product, meets the EN12464-2 standard, ensuring optimal lighting for construction sites. It includes a DIN14640 connection adapter with a bracket for tripod mounting.
