

RENTAL MOBILE AIR CONDITIONER 25000BTU/H

Product price:

3.545,00 € tax excluded

Product description:

MOBILE AIR CONDITIONER RENTAL 25000BTU/H

Rental of the 25000BTU/H mobile air conditioner represents the most effective and convenient solution to quickly eliminate heat and humidity from work environments, improving the well-being and efficiency of operators.

Each air conditioner is mobile and independent without the need for external units. It therefore does not require installation time and costs. Just a simple click is enough to generate a flow of cold air concentrated on a specific area without making noise, both indoors and in specific work areas in an outdoor environment, offering high cooling efficiency even at great distances from the unit.

The 25000BTU/H mobile product for rent is equipped with a pair of extendable and flexible conveyors that allow you to channel the air. cold air from every angle, reaching even difficult and narrow environments with the possibility of cooling different areas at the same time.

The rental will be supplied with a flexible hot air hose with a diameter of 40 cm and a length of 10 m.

The rental service

Renting an industrial air conditioner has never been so easy: choose the product you want to rent and FILL OUT THE FORM

Technical characteristics of the 25000BTU/H mobile air conditioner for rent.

Cooling capacity: 25000BTU/h

Condenser air flow: 2009 - 2497 m3/h

Evaporator air flow: 985 - 1104 m3/h

Cooled area: 60 - 80 m2

Condensate tank: 18 l

Voltage: 230 V

Frequency: 50 Hz

Phase type: Single phase

Refrigerant: R-410A

Duct diameter: 40 cm

Width: 560 mm

Length: 730 mm

Height: 1300 mm

Net weight: 96 Kg

Consumption (Watt): 2680
