## Product description:

Discover the Versatility of the Dometic Ace AIR All-Season Inflatable Awning: 400 S and 500 S

The Dometic Ace AIR All-season: innovation and practicality. The cutting-edge design of the Dometic Ace AIR All-Season 400 S and 500 S models perfectly suits modern travelers seeking a reliable camping solution for all weather conditions. With a width of 4000 mm for the Dometic Ace AIR All-Season 400 S and 5000 mm for the 500 S, this inflatable awning offers ample space while maintaining easy and quick setup thanks to the **Single Point Inflation** system.

Developed to withstand all periods, the Dometic awning is constructed with **Weathershield™** materials, ensuring durability and protection from the elements. The **Dual-Pitch™** roof system and the **QuickPitch™** anchoring system are just a few of the technical features that make the the Dometic Ace AIR All-season models the preferred choice for camping enthusiasts.

The models are designed to fit vehicles with a connection height ranging from 2350 to 2650 mm, making them extremely versatile. The weight of 33.3 kg for the 400 S and 37 kg for the 500 S makes them manageable for transport and installation.

Each purchase includes essential accessories such as a hand pump, pegs, a carry bag, and storm straps. Optional accessories, like rear poles and side extensions, add further customization and comfort to your outdoor experience.
