VITRIFRIGO C25L Refrigerator 25Lt

VITRIFRIGO C25L Refrigerator 25Lt: Elegant design and advanced functionality

The VITRIFRIGO C25L 25 litre refrigerator is an innovative and functional product, perfect for those who want a reliable appliance with an elegant design.

Airlock closing system:

The C25L is equipped with the new Airlock closing system, which offers several advantages:

Positive door closure: prevents accidental opening

Unique fixing profile: for full and partial recessing

Quick door reversibility: for greater flexibility

Vent position system: to keep the door ajar and prevent mould growth.

Easy to clean: the inside of the refrigerator is made of smooth, durable material that is easy to clean and keep hygienic.

The VITRIFRIGO C25L Refrigerator 25Lt is the ideal choice for those who want a high-quality, reliable, efficient and elegantly designed product.

High energy efficiency: thanks to advanced insulation technology and a high-efficiency compressor, the C25L consumes very little energy, saving on running costs.

Quiet operation: the compressor is designed to minimise noise, ensuring a quiet and comfortable environment.

Elegant design and refined finish:

The C25L is available in two finishes:

Light grey: a bright, pearl shade

Black: an elegant colour contrast
