

# Tank CarryTank CTK330 Homologated

**Product price:**

**2.307,00 € tax excluded**

**Product description:**

Tank CarryTank CTK330

CarryTank CTK330 your robust and reliable fuel transport solution.

The CarryTank CTK330 is a new 330 litre polyethylene tank designed for the safe and reliable transport of Diesel.

Built with the highest quality materials and state-of-the-art technology, the CarryTank CTK330 is designed to last.

It withstands weather, shocks and low temperatures, ensuring safe transport in any season.

Its robust construction makes it ideal for professional and intensive use.

**Unrivalled robustness and strength:**

Subjected to rigorous stress tests to obtain the main fuel transport approvals: ADR (road), RID (rail), ADN (on lakes and rivers) and IMDG (sea).

UN/DOT approved.

High resistance to impact and breakage, pressure, low temperatures and UV radiation.

Internal breakwaters for added strength and balance.

**CTK330 State-of-the-art technology:**

Designed entirely in a digital environment with innovative technology.

Tested to withstand pressure during transport and to guarantee tightness even after drops under full load.

**Guaranteed safety:**

Aluminium filling cap with integrated safety valve.

Level indicators for precise fuel control.

Suction filter for enhanced engine protection.

**CarryTank Versatility and flexibility:**

Compatible with most popular filtration systems.  
Complete with accessories for safe and practical use:

- Transfer unit
- Inlets for full lifting with forks
- Handles for empty lifting
- Attachment belt housings

**Available configurations:**

- Model Z1:
- 12V pump flow rate 45 l/min ATEX certified
  - 4 m hose
  - Automatic gun
  - 4 m electric cable and clamps for battery connection

**Optional:**

- M 24 Atex digital flow meter
- Water separation filter

**CARRYTANK CTK330 CAPACITY AND DIMENSIONS**

- Capacity: 330 litres
  - Dimensions: 1295x885x665h mm
  - Thickness: 11 mm
  - Empty weight: 53 kg
  - Empty weight with 12V pump unit: 65kg
- The CarryTank CTK330 is the versatile solution for transporting Diesel or Petrol fuel.
