Product description:

DOMETIC kampa Cross Air TG

DOMETIC Kampa Cross AIR TG: Inflatable rear camper awning - 2.7 m wide

Expand your living space and experience maximum comfort on the campsite with the DOMETIC Kampa Cross AIR TG inflatable rear awning!

This awning connects perfectly to the rear of your motorhome, creating a large living area that extends outside the vehicle. Ideal for small vans and motorhomes, the Cross AIR TG offers a practical and versatile solution for enjoying outdoor leisure time.

Key features:

Rear mounting: Easily attaches to the rear of your motorhome, expanding the living space available.

Large living area: Provides a large covered area for relaxing, cooking or eating outdoors.

Lightweight materials: Weathershield 68D fabric is durable and lightweight, reducing weight and pack size for easy transport.

Quick assembly and disassembly: The robust air frame with multiple inflation points allows for quick and easy assembly and disassembly.

Weather protection: The waterproof and UV-resistant material provides effective protection against sun, rain and wind.

Ground sheet with clip: Included to create a dry and comfortable environment inside the awning.

Windows with privacy curtains: Provide brightness and privacy when needed.

Mesh panels: Promote ventilation and reduce condensation.
