Product description:

Osmosea OsmoBoat Slim Potabiliser 220W

Osmosea OsmoBoat Slim Potabiliser 220W: Pure, Tasty Water.

Choose the Osmosea OsmoBoat Slim Potabiliser 220W and enjoy pure, fresh, oligomineral water at home!

OsmoBoat Slim Potabiliser 220W: a compact, high-performance reverse osmosis system that gives you:

Pure and safe osmosis: eliminates bacteria, viruses, pesticides, heavy metals and other impurities, guaranteeing healthy water with excellent taste.

Osmosea pH adjustment: adjusts the pH level of the purified water to your preferences for optimal hydration and customised taste.

Fresh and oligomineral water: dispenses sparkling water on demand, to refresh you and satisfy your every desire.

Osmosea Compact and versatile design: fits perfectly in any kitchen thanks to its small size.

Osmosea Osmoboat Easy to install and use: no special technical skills required, ready to use in minutes.

Compliant with regulations: DM 174/2004 certified, a guarantee of quality and safety.

Osmosea Advanced technology for impeccable water:

Highly efficient osmotic membrane: removes over 98% of impurities.

Osmosea Pre-filtration system: Removes suspended solids and chlorine to protect membranes and improve quality.

Osmosea Automatic pressure control: ensures optimal operation and protects the system from damage.

The Osmosea OsmoBoat Slim 220W is the ideal choice for those who want pure.

Technical characteristics Osmosea OsmoBoat Slim 220W Potabiliser:

Production capacity: 80-90 l/h
Dimensions: 41 x 46 x 11 cm
Max input water conductivity: 2000 TDS
Cooling system: -
Cooling capacity:
Membranes: 2 x 1812 In Line
Sediment pre-filter: 5 Micron
Activated Carbon Pre Filter: Yes
Water inlet connection: 10 mm
Water outlet connection Ambient temperature: 1/4'.
Cold water outlet connection: 1/4'
Sparkling cold water outlet connection: 1/4'
Drain water outlet connection: 1/4
Power supply: 230V-50Hz
Power consumption: 220 W
Membrane pressure sensor: Yes
Inlet water pressure sensor: Yes
Pressure regulating valve: Yes
Working pressure gauge: Yes
Gas compressor control unit: /
