**Product price:**

**150,00 € tax excluded**

**Product description:**

RIBIMEX PRNHP05 Pressure Washer RX5 2200W 460LT

RIBIMEX PRNHP05 Pressure Washer RX5 2200W 460LT: Power and precision for professional cleaning

The RIBIMEX PRNHP05 RX5 pressure washer is an indispensable tool for those looking for high performance and cleaning versatility.

With a powerful 2200W motor and a maximum flow rate of 460 litres/hour, this high-pressure washer is capable of removing the most stubborn dirt from any surface, guaranteeing a high level of cleaning performance.

most stubborn dirt from any surface, guaranteeing a flawless result.

**Key features:**

**Powerful motor:** The 2200W motor ensures a maximum pressure of 160 bar, which is ideal for tackling even the toughest scaling.

**Oscillating plate pump:** Ensures reliability and durability, even under heavy use.

**Versatility:** With its adjustable jet and integrated detergent tank, it is perfect for a wide range of applications,

from cleaning the car to removing scale from patios and gardens.

**Practical:** The 6 metre hose and compact dimensions (385x357x918mm) make it easy to use and transport.

Safe: The motor's thermal protection and IPX5 rating make it safe and reliable in all conditions.

**Advantages:**

Deep cleaning: Removes the most stubborn dirt from any surface.

High performance: Thanks to powerful motor and high flow rate.

Versatility: Suitable for multiple applications.

Practical: Easy to use and transport.

Safe: Ensures safe and worry-free use.

Robust: Built with high quality materials for a long service life.

**Technical specifications RIBIMEX PRNHP05 Pressure washer RX5 2200W 460LT:**

Maximum pressure: 160 bar.

Mechanical pump system: Oscillating plate.

Dimensions logistics: 385 x 357 x 918 mm.

Detergent tank.

Thermal motor protection.

Voltage: 220V - 240V.

Power: 2200 W.

Max. flow rate 460 l/h.

Adjustable jet.

Hose length: 6 m.

Protection class: IPX5.

Weight: 16,9 Kg.

Maximum temperature: 50°C
