**Optimized Design and Performance**

Made from AISI 304 stainless steel, the Frigoboat MS42IN Frigo Mobile 30lt ensures maximum corrosion resistance and a refined aesthetic. The stainless-steel interior includes adjustable shelves and a bottle holder for practical and efficient organization.

The advanced insulation (50 mm for refrigerators, 80 mm for freezers) ensures high energy efficiency, maintaining a stable temperature while reducing consumption. The magnetic anti-condensation seal prevents moisture formation and ensures an airtight closure.

### Advanced Features

Integrated evaporator, available with a cell option for better cold management.

Temperature adjustment via internal thermostat.

180° door opening, for easier access even in tight spaces.

Adjustable height shelves, with anti-roll edges for maximum safety while sailing.

Condensation drain with integrated evaporator for optimal performance.

Remote refrigeration unit, which optimizes space, reduces noise, and improves overall efficiency.

The Frigoboat MS42IN Frigo Mobile 30lt is designed for those who want the best in terms of performance, durability, and design. Perfect for yachts, sailboats, and leisure boats, this refrigerator is an essential companion for every sea trip, ensuring optimal food freshness and preservation at all times.
