## Product description:

VITRIFRIGO Fridge-freezer C75L CHR BLACK 75 liters

Vitrifrigo fridge-freezer C75L CHR Black represents the ideal choice for those seeking a compact yet spacious refrigeration solution, combining elegant design and cutting-edge functionality. Belonging to the renowned Chromelock series by Vitrifrigo, this model stands out for its total capacity of 75 liters, offering sufficient space for the most diverse refrigeration needs.

Vitrifrigo fridge-freezer Maximum Flexibility with Optional Freezer Compartment:

Designed for maximum versatility, the C75L CHR Black integrates a practical 10.2-liter freezer compartment **intended for the freezer compartment if chosen as an option**, allowing you to efficiently store frozen foods as well.

Vitrifrigo Refined Design and Guaranteed Safety:

The refined aesthetics with the black door panel perfectly adapt to various environments, while the snap lock ensures a hermetic closure and prevents accidental openings, keeping the internal temperature stable and protecting your food.

Vitrifrigo "Vent Position" Technology: Optimal Freshness and Hygiene:

An innovative distinguishing feature is the "vent position" system integrated into the handle. This ingenious solution allows a partial opening of the door during periods of non-use, promoting internal air circulation. This effectively prevents the formation of mold and unpleasant odors,

ensuring more hygienic and longer-lasting food preservation.

Vitrifrigo fridge-freezer Energy Efficiency and Optimized Dimensions:

With a consumption of only 490 Wh in 24 hours and versatile 12/24 Vdc power supply, this fridge-freezer is designed for optimal energy efficiency. Its compact dimensions (Total width: 470 mm, Total height: 622 mm, Total depth: 460 mm) make it easy to integrate into various spaces without sacrificing internal capacity.
