

# MASE Mariner 3000TS Super-Silenced Marine Generator 31 KVA AVR

**Product price:**

**31.950,00 € tax excluded**

## **Product description:**

Generatore marino MASE MARINER3000TS supersilenziato 31 KVA AVR

Marino generator MASE MARINER3000TS three-phase with motor at 1500 giri/minuto. The MASE MARINER3000TS three-phase generator is designed with a soundproof cabin to make it super quiet. The MASE MARINER3000TS three-phase generator is built with a Yanmar diesel engine and a continuous alternator, auto-energized, auto-regulated, with electronic voltage regulation **AVR** and with air conditioning. With its dimensions, it is also adjusted to the media dimensions. The ampio display and pulse of the command do not allow an easy setting and use: Hz

- Contatore
- Battery voltage generator
- Low oil pressure alarm
- Motor activation
- High engine temperature alarm
- Car battery alarm
- Protection by frequency and engine speed
- Visualizzazione allarmi de arresto
- Avviso manual maintenance
- Uscita cumulative allarmi

•Uscita RUN

•Uscita Ready

•Uscita AUX programmabile

### **Motore**

- Access to the handling of the power supply system lubrication, water pump and air filter.
- Doppio sistema di smorzamento of vibration
- Oil pump

### **Alternator**

- Sincrono, 4 polished, automatic, autoregolato senza spazzole con regolazione elettronica della tensione APR.

### **Cabina sonorizzante**

The cabina sonorizzante del generatore marine MASE MARINER3000TS with its new design and design, the acoustic emission is carefully selected and it is made of a marine-varnished aluminum laminate structure, type 5754, extremely light and The high resistance of the agent is eternal. The internal access to the van makes it more durable during maintenance and with a group of electrics installed in the appropriate environment. MARINER3000TS has the refrigerant circulation circuit in the chiuso circuit. The system is composed of a cupboard heater, the internal circuit has a thermal bath with refrigerant liquid and water. MARINER3000TS.

This is a generator similar to the MARINER3000TS with different technical characteristics that you can consult in the intero cataloggruppi elettrogeni marini.

### **Product features:**

Phase: Three phase

Maximum power three phase (KVA): 31

Continuous power three phase (KVA): 29

Fuel: Diesel

Frequency (Hz): 50

Voltage (V): 400

Engine: Yanmar 4TNV98, 4 stroke

Engine rpm (rpm): 1500

Speed governor: Mechanical

Engine capacity (cm<sup>3</sup>): 3319

Number cylinders: 4

Oil capacity (L): 8.2  
Cooling: Air  
Inyección : Direct  
Alternator: Synchronous, self-excited  
Poles: 4  
Lubrication: Forced  
Consumption (L/h): 8.9 at 100% of the load  
Acoustic pressure: 54 dB(A) at 7 m  
Length (mm): 1295  
Width (mm): 630  
Height (mm): 810  
Dry weight (Kg): 595  
Inverter: No  
AVR: Yes  
Compound: No  
Silenced: Yes  
Super silenced: Yes  
Compression ratio: 18.5 : 1  
Product type: Generator  
Voltage regulator: AVR  
Engine manufacturer: Yanmar
