

TELAIR TELECO HUB BOX

Product price:

170,00 € tax excluded

Product description:

The ideal interface to remotely control with your smartphone your motorhome or caravan with the use of a simple APP.

It works via Bluetooth in the immediate vicinity and via SMS in the distance.

Bluetooth operation is completely free of charge, while for SMS commands you need to purchase a Micro SIM CARD (subscription or prepaid) to be inserted in the HUB Teleco Box.

Through Teleco Hub you can also manage the functions of your Telair antennas and air conditioners, thanks to specific IFS interfaces that can be purchased separately.
